

Razza (NGS by Pininfarina)

This wireless mouse with a laser sensor will provide the user high accuracy. With 800 dpi optical resolution and 2.4 Ghz RF, Razza ensures computer communication range of up to 10 meters. USB connected through its nano receiver. This mouse is thoroughly designed: it includes an aluminium wheel and combines several materials and textures. Furthermore, its original velvet sheath protects your device from damage and impacts. This mouse stands out for an exclusive Italian design by "Pininfarina Extra".
